### **WESTWOOD PARK LADIES AND MEN'S CLUB**

Beginning in May, the Westwood Golf Course will offer men and women's golf clinics at the Westwood Golf Course at 2400 Westport Dr. in Norman. Designed for beginners or those who may not have played in a while, the clinics offer a learning opportunity in a small, encouraging environment.

Clinic instructors will teach putting, chipping and full swing mechanics along with the general introduction to the golf course and golf guidelines. Additionally, instructors will teach course rules and etiquette and golf clubhouse policies and procedures. Clinics will be taught by golf professionals, including Professional Golfers Association (PGA) and Ladies Professional Golf Association (LPGA) professionals. Instructors scheduled to teach clinics include: Rick Parish, PGA; Bobby Florer, Golf Professional; Jerry Halsey, Teaching Professional; Robert O. Smith, PGA, and Carol Ludvigson, LPGA Professional.

The women's clinic will begin on May 5 through May 26, with classes from 6-7:30 p.m. on Tuesdays throughout the month. The men's clinic will begin on May 4 through June 1 and classes will be from 6-7:30 p.m. on Mondays throughout the month. Golf clubs are provided for students who may need them. Clinics are limited to 25 participants. Clinics cost \$80 for the full clinic or \$20 per individual class. A \$10 discount on the full clinic cost will be given to those who pay on the first night.

To register clinics or for more information, contact the Westwood Golf Course at (405) 292-9700.
